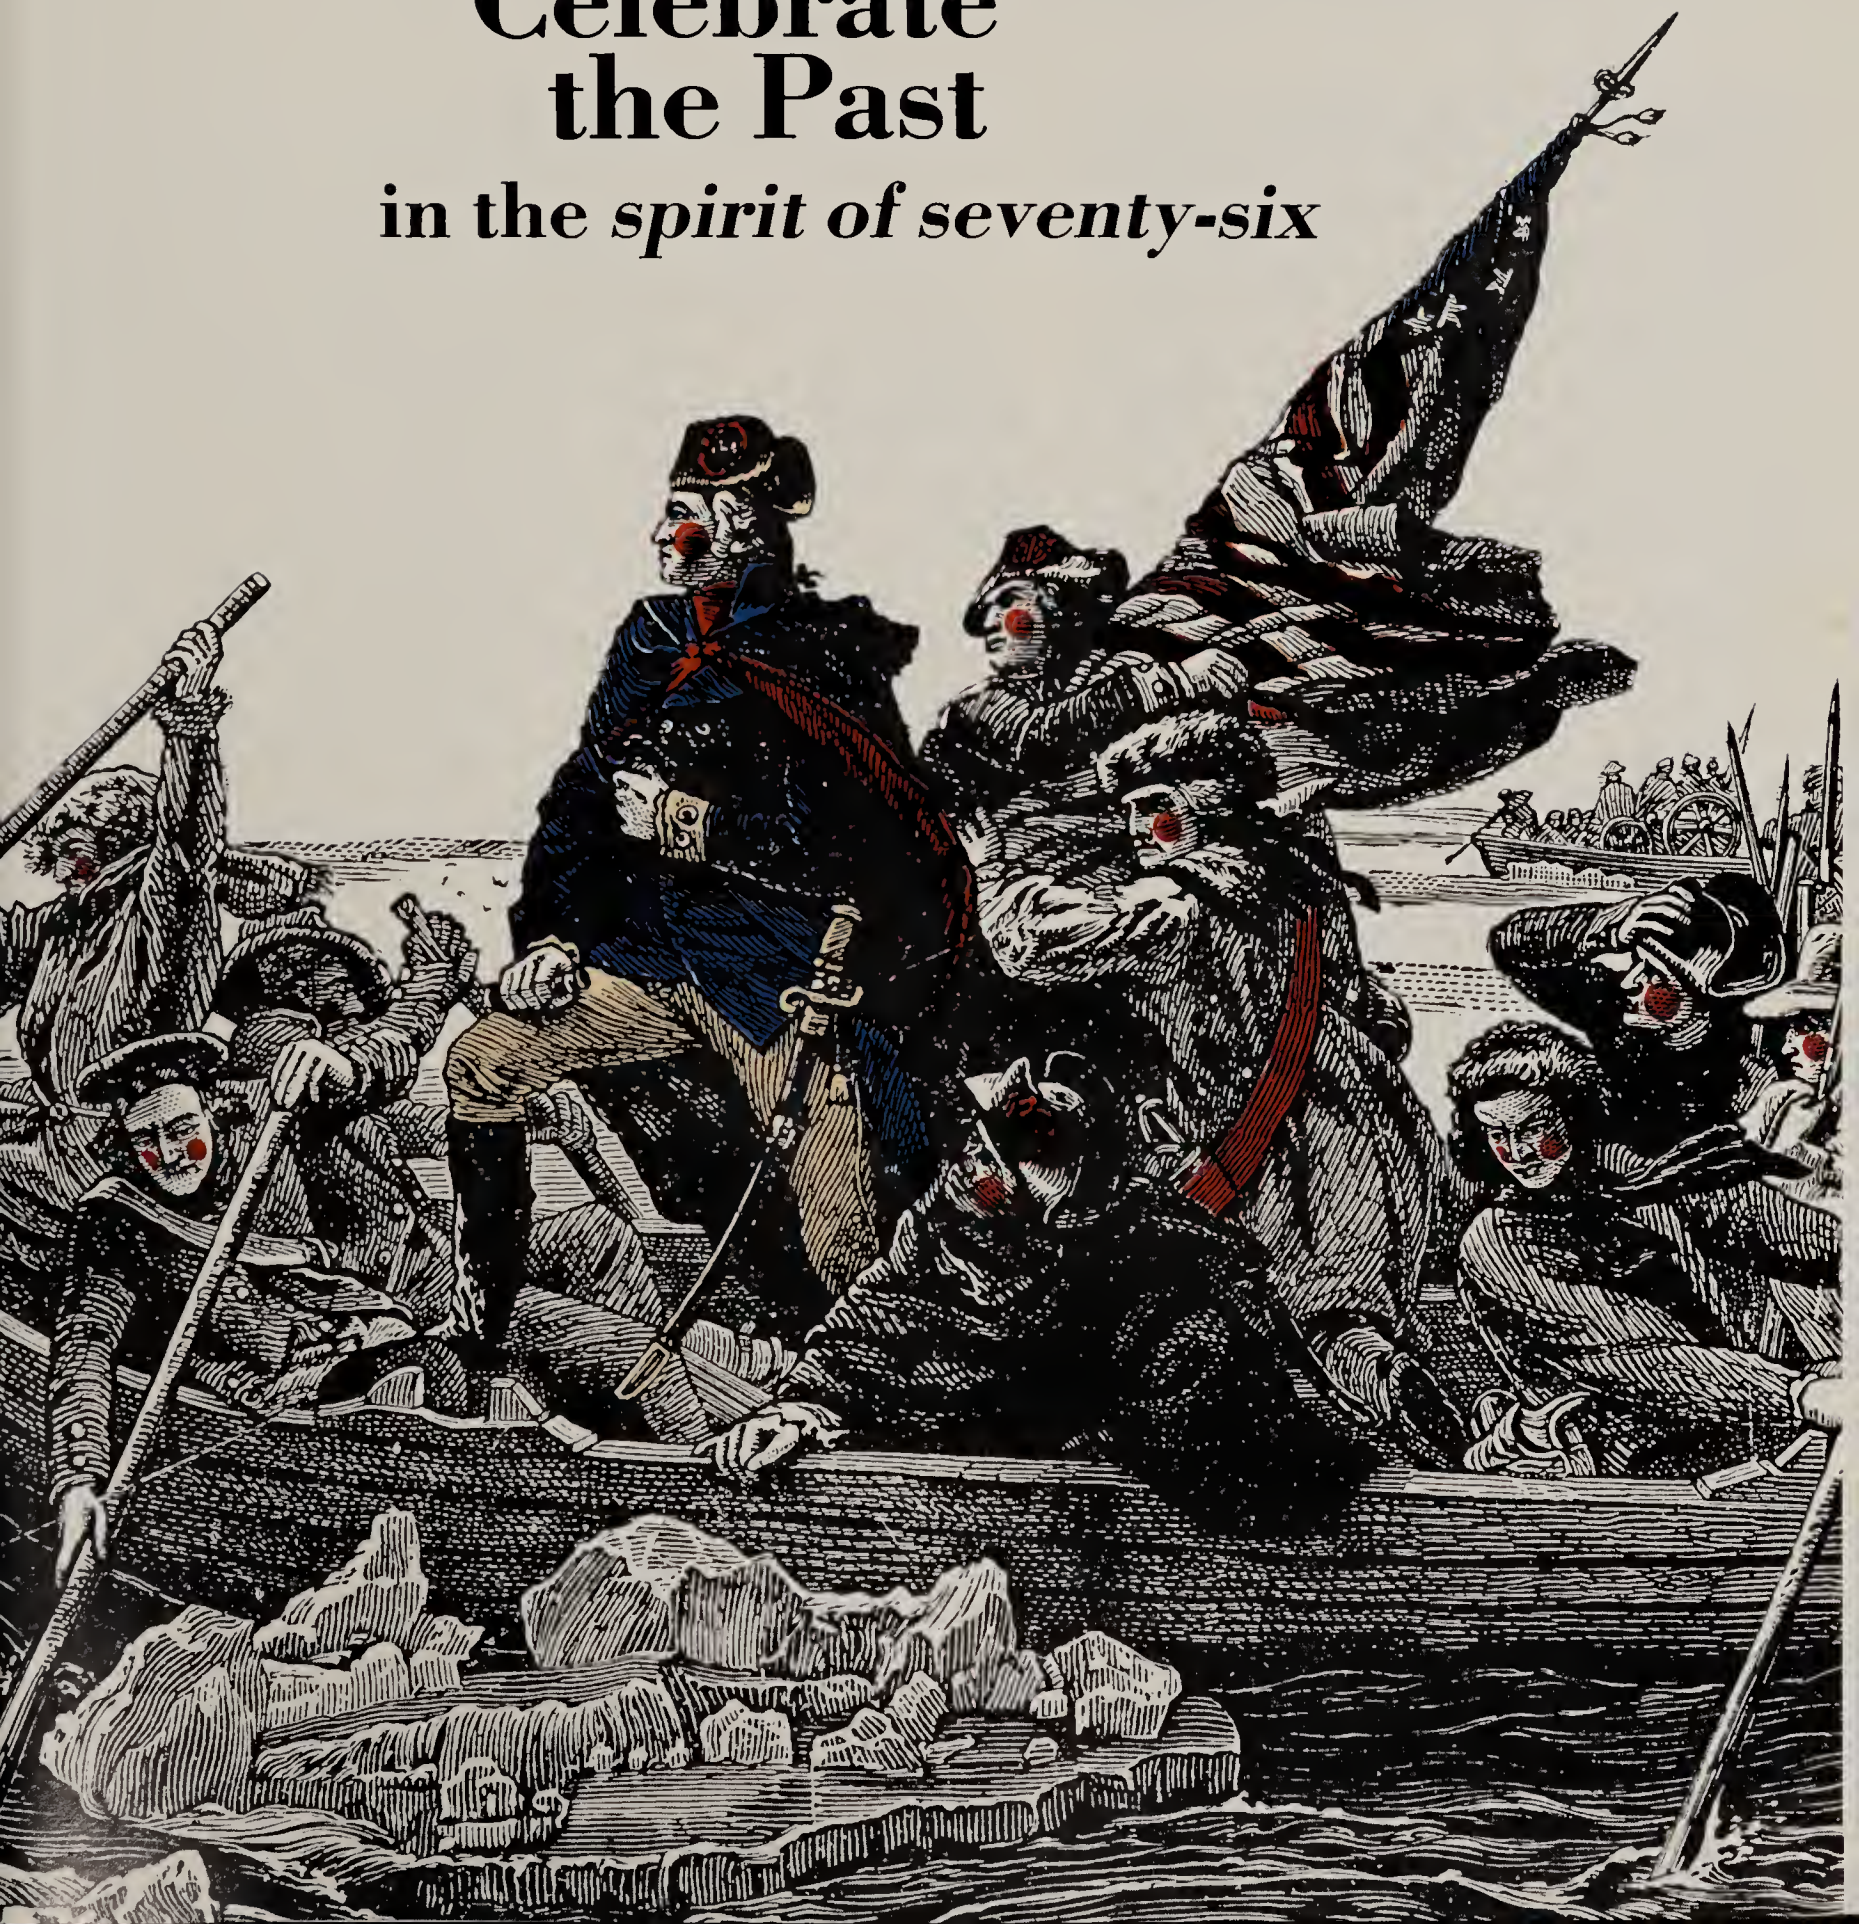
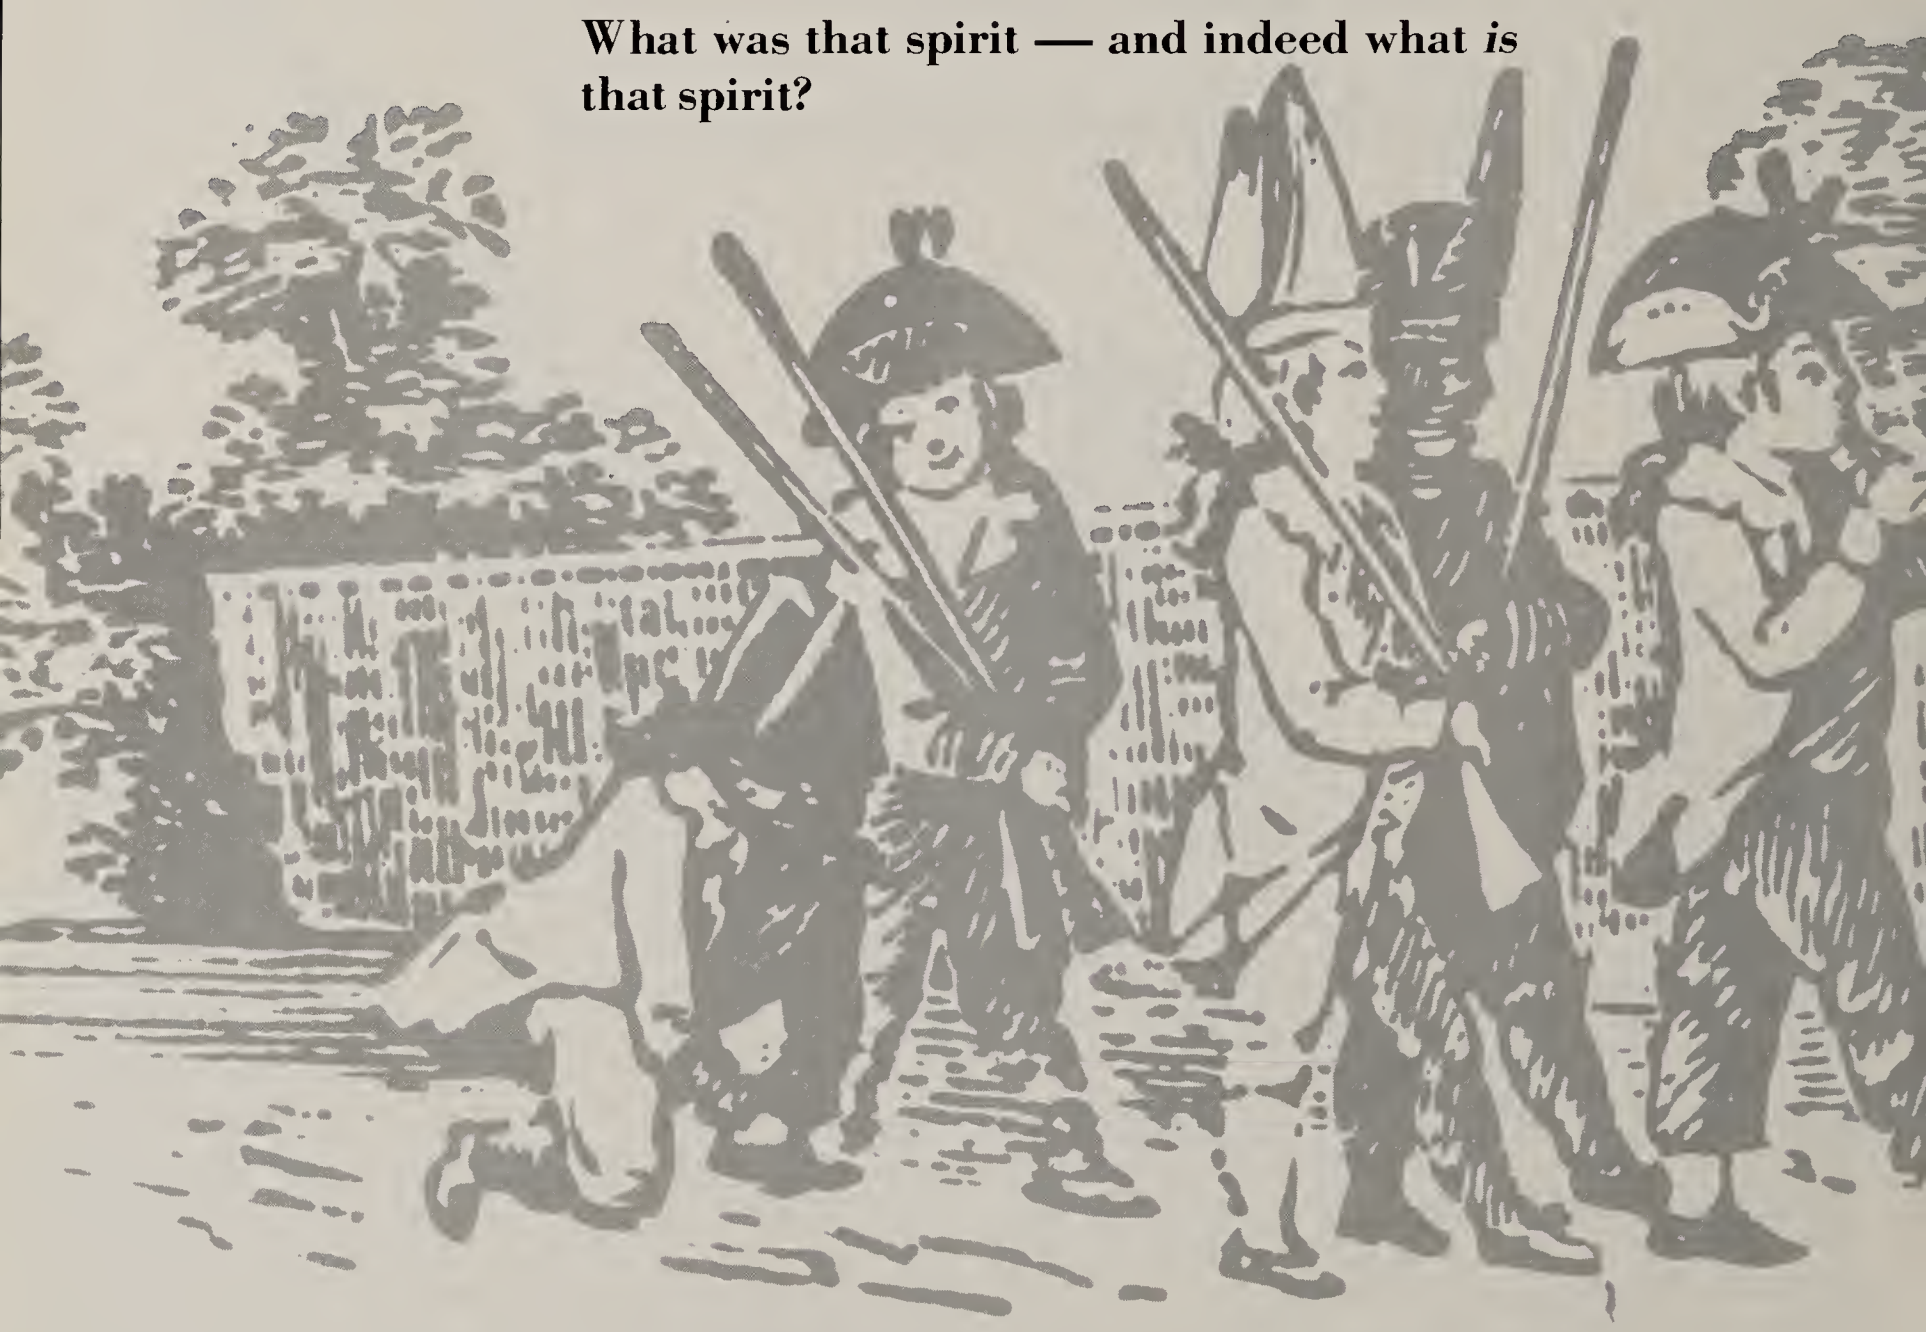
We Celebrate the Past

in the *spirit of seventy-six*

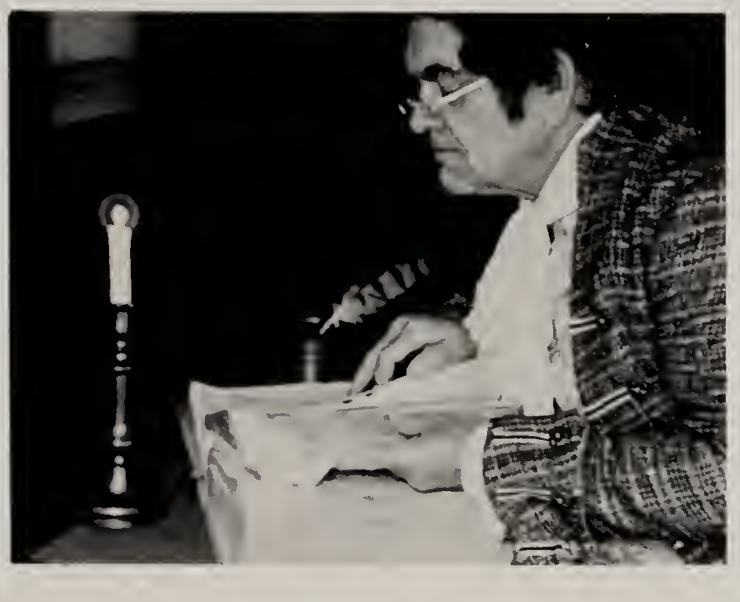


There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

What was that spirit — and indeed what *is* that spirit?



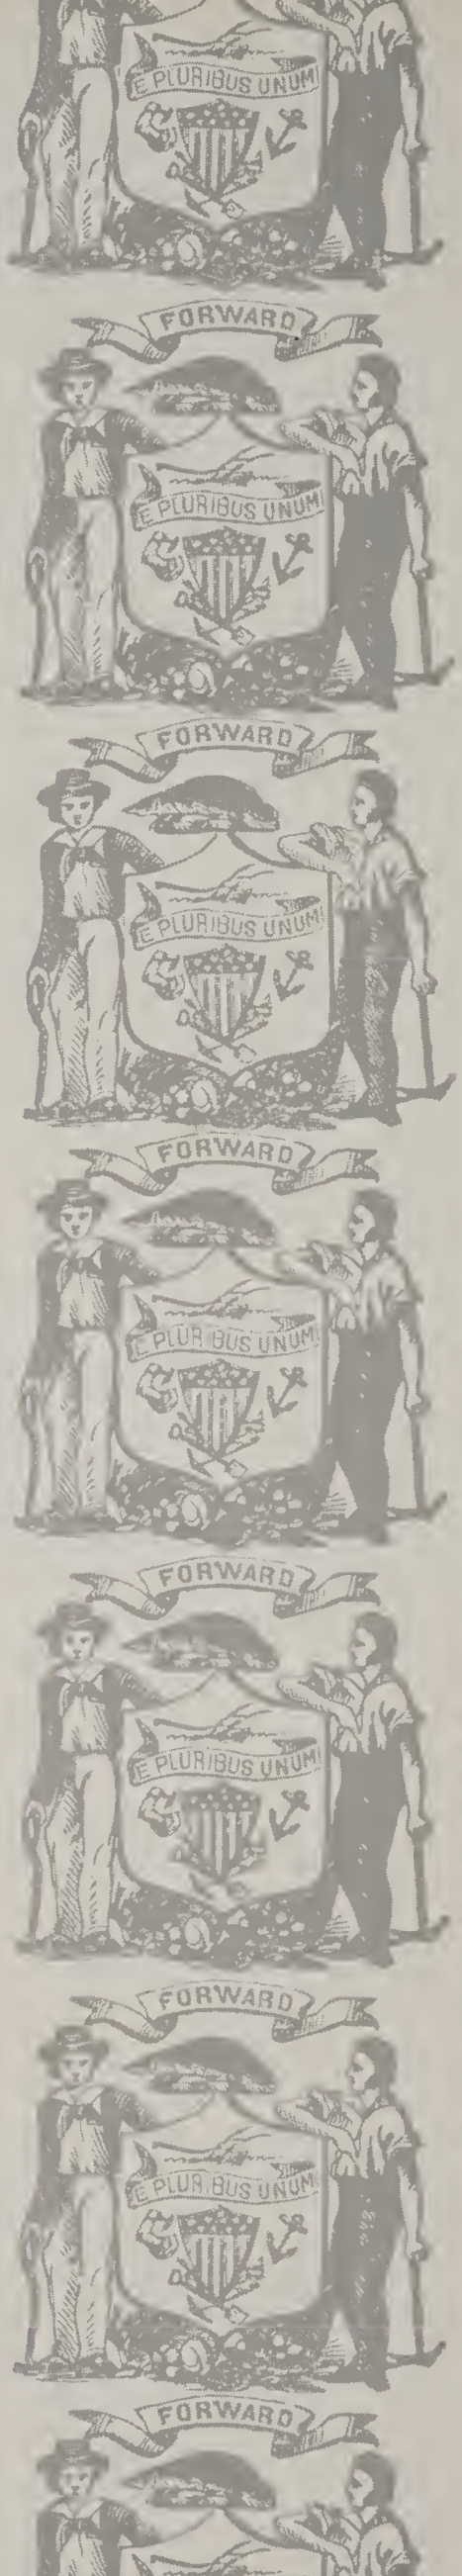
It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

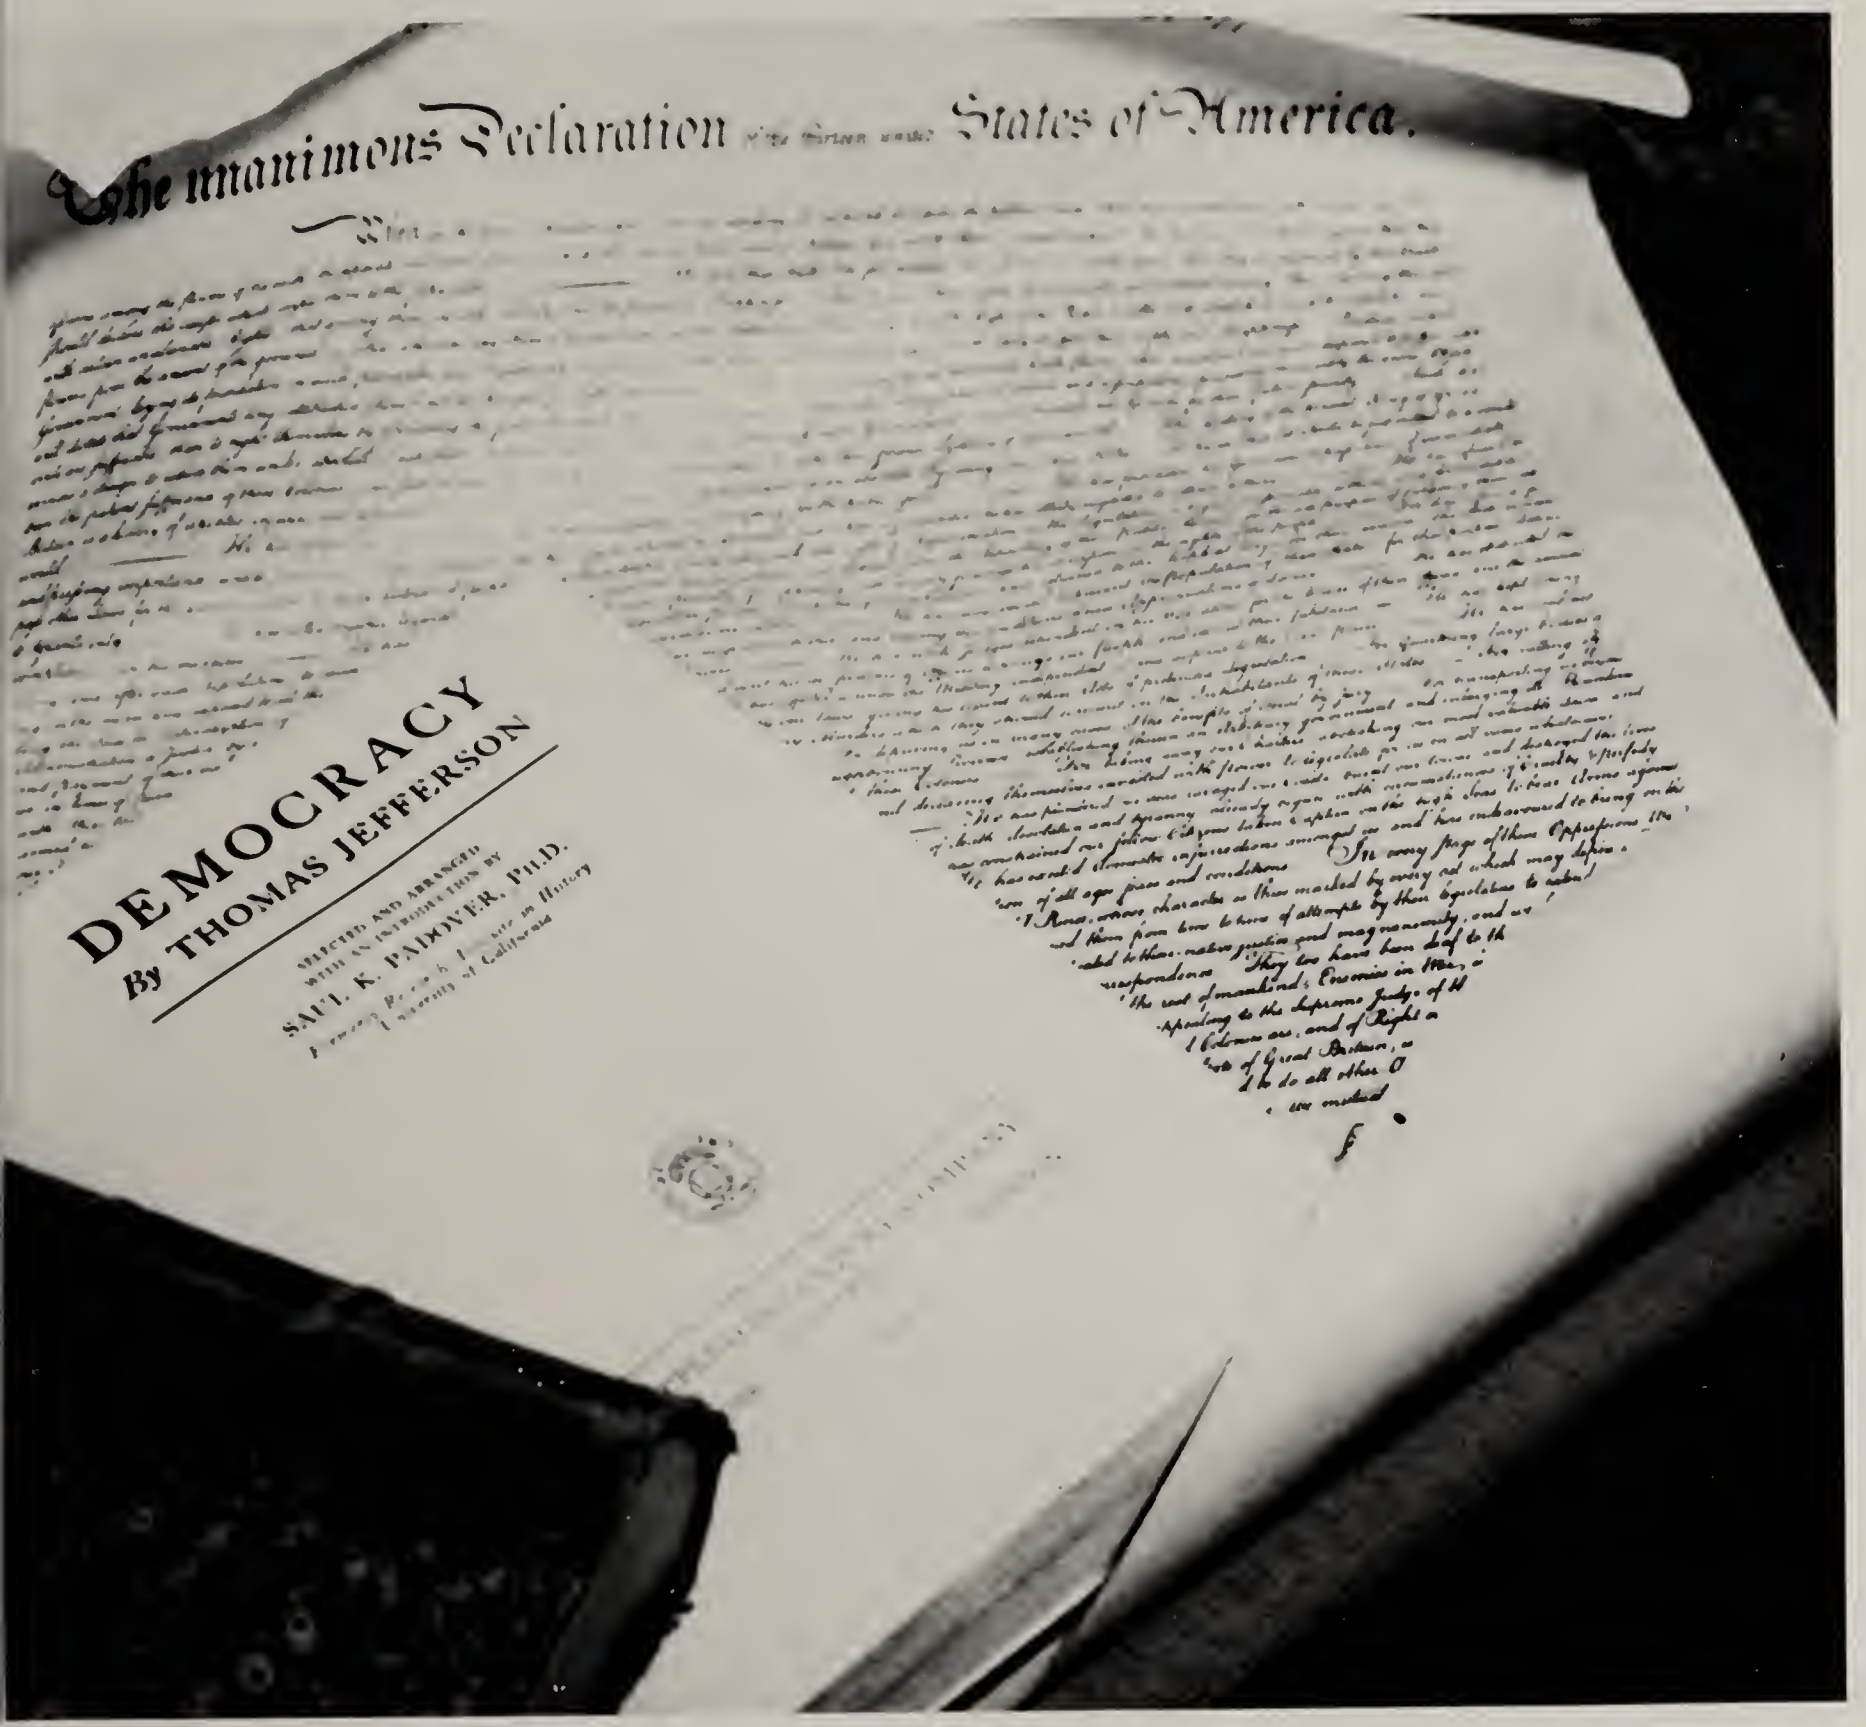


Independence Hall
The State House of
Pennsylvania
The Birthplace of
the UNITED STATES
of AMERICA

It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.

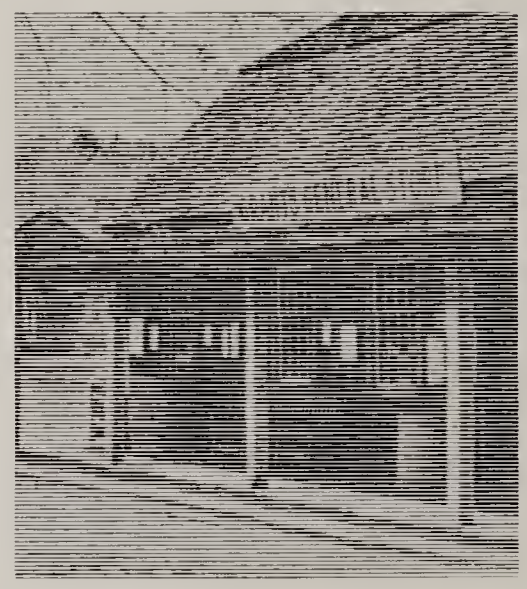
It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.





The manimous Declaration of the United States of America.
DEMOCRACY
By THOMAS JEFFERSON
SELECTED AND ARRANGED
WITH AN INTRODUCTION BY
SAUL K. PADOVER, PH.D.

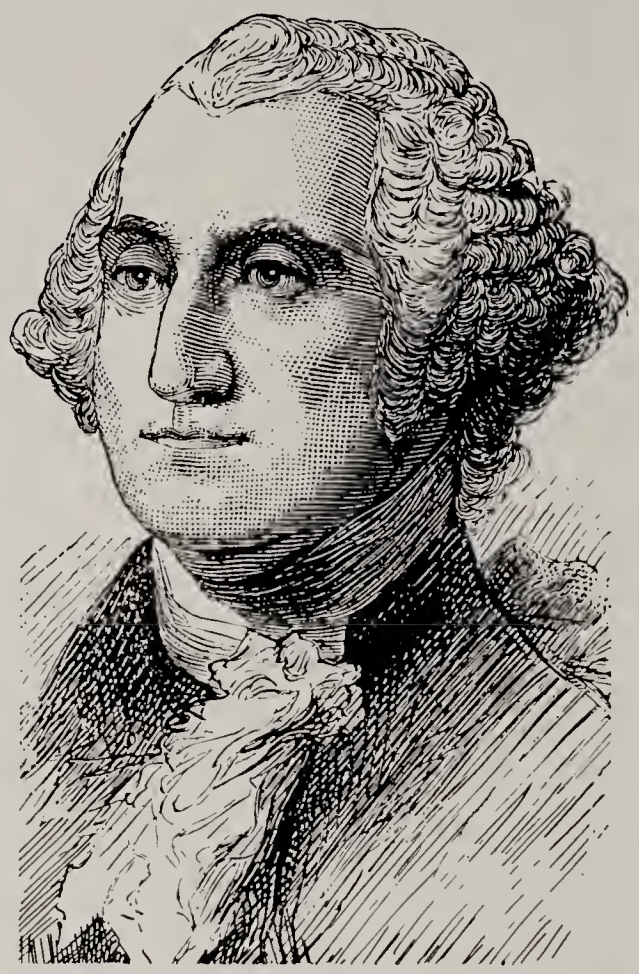
It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.



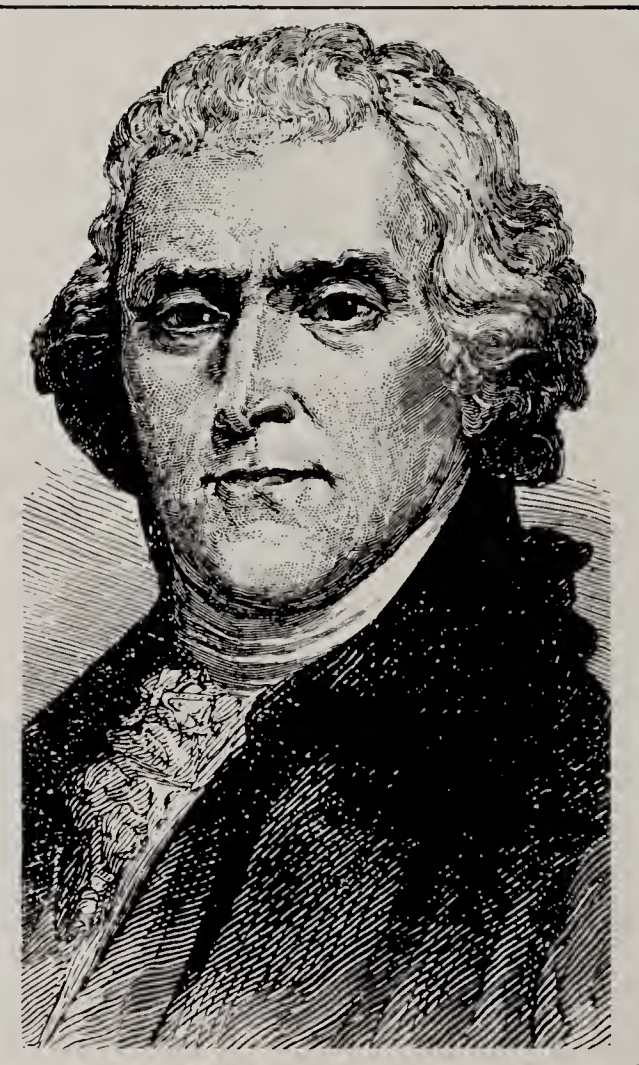
It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.

It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

George Washington



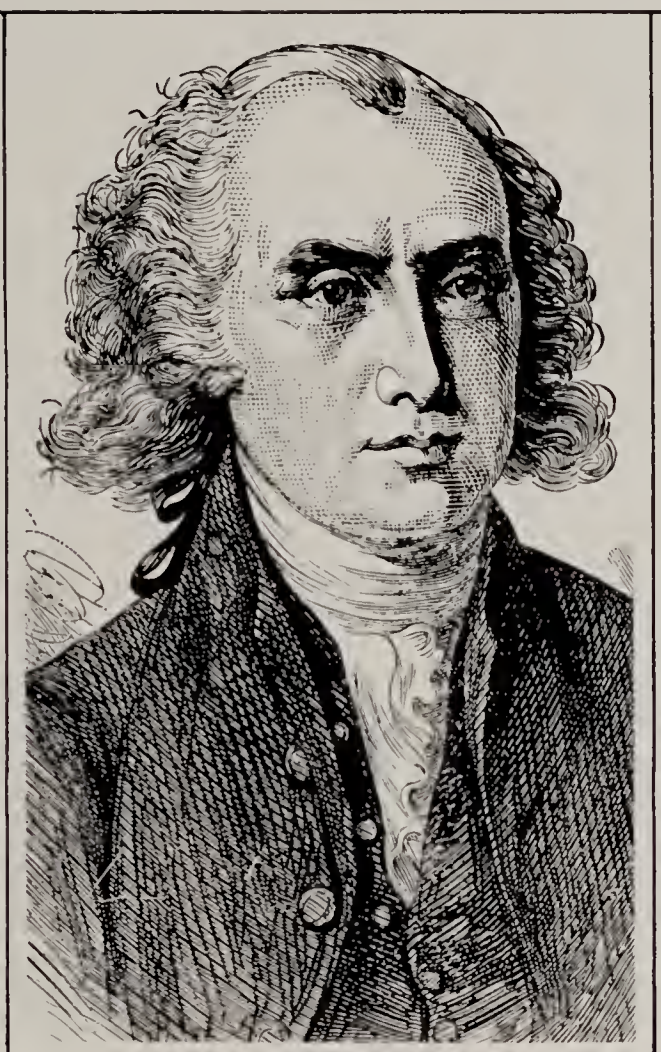
John Adams



Thomas Jefferson

Benjamin Franklin

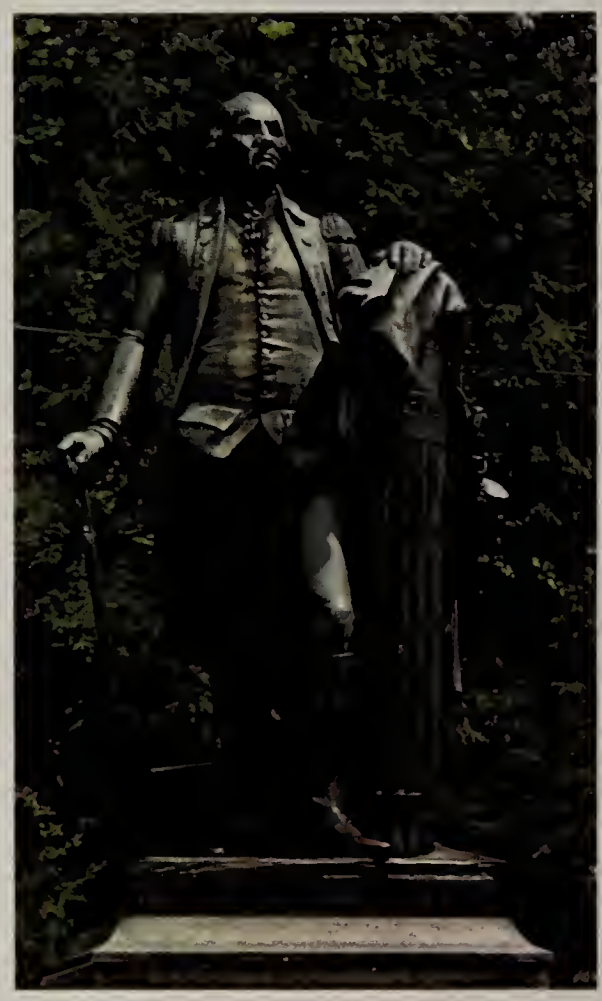
Alexander Hamilton



James Madison

John Hancock

It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.



Indeed the *"SPIRIT OF '76"* was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.
